The CAD values are calculated using the foreign exchange multiplier. To calculate the CAD equivalent, simply multiply the USD amount shown by the Foreign Exchange Multiplier (1.11) (USD x Foreign Exchange Multiplier = CAD). This value is subject to change every 6 months based on published exchange rates. The Foreign Exchange Multiplier of 1.11 is valid through December 27, 2015. PIB values are set amounts.

\* Open to all Associates, regardless of rank. This promotion is available in the U.S., Canada, and Puerto Rico only and ends January 31, 2016. New Associates must join on Autoship and order a qualifying pak at the time of initial enrollment. Associates must be enrolled in the same commission week to count.

\*\* Once you reach your second new Associate in a week who signs up on Autoship and purchases a qualifying pak, all new Associates that same commission week will count towards the double PIB (including the first two new Associates during that commission week). If a new Associate purchases more than one qualifying pak, the double PIB will only count on one pak. Limit one double PIB per new Associate enrolled.

† A commission week begins at midnight Monday ET and runs through the following Sunday at 11:59 p.m.

Contest rules are subject to change by Isagenix at any time without prior notice. Isagenix reserves the right to audit, adjust or deny any volume, compensations, recognition, or other incentives awarded during or as a result of this contest to ensure the intention of the contest is achieved.
